Notice of Amended Rate Order for GRP Participants

May 24, 2018

Dear GRP Participant:

On May 21, 2018, the GRP Review Committee unanimously voted to recommend adoption of an amended GRP Rate Order. On May 24, 2018, the San Jacinto River Authority's (SJRA) Board of Directors adopted the amended GRP Rate Order as recommended. The amended GRP Rate Order is available on SJRA's website at www.SJRA.net/GRP under the "Quick Links" and "GRP Participant Information" tab. We recommend that you review and become familiar with the amended GRP Rate Order.

There will be no rate change for Fiscal Year 2019. Effective as of September 1, 2018, the Pumpage Fee and Import Fee will *remain* \$2.64/1,000 gallons and the Surface Water Fee will *remain* \$2.83/1,000 gallons. These fees generate the revenues necessary to pay for the operation and maintenance of the GRP facilities and to fund debt service. SJRA strives at all times to manage the costs of implementation of the GRP so that the lowest responsible fees are adopted.

If you have any questions about the amended GRP Rate Order or would like to receive a paper copy of same, please feel free to contact GRP Division staff by telephone at (936) 588-1662.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Smith".
