INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
San Jacinto River Authority
Montgomery County, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the San Jacinto River Authority (the "Authority"), as of and for the year ended August 31, 2018, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated December 6, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Handwritten signature in black ink that reads "Kamp Co. & Co. LLP". The signature is written in a cursive, flowing style.

**INDEPENDENT AUDITORS’ REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
San Jacinto River Authority
Montgomery County, Texas

Report on Compliance for Each Major Federal Program

We have audited the San Jacinto River Authority’s (the “Authority”) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Authority’s major federal programs for the year ended August 31, 2018. The Authority’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors’ Responsibility

Our responsibility is to express an opinion on compliance for each of the Authority’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Authority’s compliance.

Opinion on Each Major Federal Program

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal program for the year ended August 31, 2018.

Report on Internal Control over Compliance

Management of the Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the business-type activities of the San Jacinto River Authority, as of and for the year ended August 31, 2018, and the related notes to the financial statements, which collectively comprise the San Jacinto River Authority's basic financial statements. We issued our report thereon dated December 6, 2018, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

San Jacinto River Authority

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the Year Ended August 31, 2018

<u>GRANTOR/PROGRAM TITLE</u>	<u>CONTRACT NUMBER</u>	<u>FEDERAL CFDA NUMBER</u>	<u>PROGRAM EXPENDITURES</u>
ENVIRONMENTAL PROTECTION AGENCY:			
Pass Through Texas Water Development Board Capitalization Grant for Clean Water Revolving Fund Series 2017 Loan Number: L1000635; Project Number 73764	L1000635	66.458	\$ <u>1,307,601</u>
TOTAL ENVIRONMENTAL PROTECTION AGENCY			<u>1,307,601</u>
Total Federal Awards			<u><u>\$ 1,307,601</u></u>

San Jacinto River Authority

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the Year Ended August 31, 2018

NOTE 1 – BASIS OF ACCOUNTING

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Authority, and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with requirements of the Uniform Guidance. Because the schedule presents only a selected portion of the operations of Authority, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Authority.

The expenditures of federal awards are reported in the San Jacinto River Authority Comprehensive Annual Financial Report, within the statement of revenues, expenses and changes in net position. Expenditures are recorded when the liability is incurred.

NOTE 2 – OUTSTANDING LOAN BALANCE

The Authority has an outstanding loan commitment under the Clean Water State Revolving Loan Fund from the Texas Water Development Board, as a pass-through agency for the Environmental Protection Agency (CFDA 66.458). As of August 31, 2018, the outstanding loan balance was \$42,895,000.

NOTE 3 – DE MINIMIS COST RATE

The Authority has elected not to use the 10% de minimis cost rate allowable by Uniform Guidance.

San Jacinto River Authority

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

For the Year Ended August 31, 2018

PART I - SUMMARY OF AUDITORS' RESULTS

Financial Statement Section:

Type of auditors' report issued	Unmodified
Internal control over financial reporting:	
• Material weaknesses identified?	No
• Significant deficiencies identified, but not considered to be material weaknesses?	None reported
• Noncompliance material to financial statements noted?	No

Federal Awards Section:

Internal control over major programs:	
• Material weaknesses identified?	No
• Significant deficiencies identified, but not considered to be material weaknesses?	None reported

Type of auditor's report on compliance for major federal awards Unmodified

Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)? No

Identification of Major Programs:

<u>Name of Federal Program</u>	<u>CFDA Number</u>
Capitalization Grants for Clean Water State Revolving Funds	66.458

Dollar threshold used to distinguish between Type A and Type B programs: \$750,000

Auditee qualified as a low-risk auditee? No

PART II - FINANCIAL STATEMENT FINDINGS

No financial statement findings were noted.

PART III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

No federal award findings or questioned costs were noted.

PART IV - STATUS OF PRIOR YEAR FINDINGS AND QUESTIONED COSTS

No prior year findings or questioned costs were reported.
