## Notice of Amended Rate Order for GRP Participants Effective September 1, 2019

June 27, 2019

Dear GRP Participant:

On June 24, 2019 the GRP Review Committee voted to recommend adoption of an amended GRP Rate Order to implement the results of the Independent Rate Study. On June 27, 2019, the San Jacinto River Authority's (SJRA) Board of Directors adopted the amended GRP Rate Order as recommended. The amended GRP Rate Order is available on SJRA's website at [www.SJRA.net/GRP](http://www.SJRA.net/GRP) under the "Quick Links" and "GRP Participant Information" tab. We recommend that you review and become familiar with the amended GRP Rate Order.

Effective as of **September 1, 2019**, the Pumpage Fee and Import Fee will increase from the current rate of \$2.64/1,000 gallons to \$2.73/1,000 gallons, and the Surface Water Fee will increase from the current rate of \$2.83/1,000 gallons to \$3.15/1,000 gallons. These fees generate the revenues necessary to pay for the operation and maintenance of the GRP facilities and to fund debt service. SJRA strives at all times to manage the costs of implementation of the GRP so that the lowest responsible fees are adopted.

If you have any questions about the amended GRP Rate Order or would like to receive a paper copy of same, please feel free to contact GRP Division staff by telephone at (936) 588-1662.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark Smith", is written over a horizontal line.

Mark Smith, P.E.  
GRP Administrator  
San Jacinto River Authority
