other implied or express warranties under the Contract Documents, the Contractor shall, for a period of one year after completion of the Work, correct all Work and supplied Goods, not conforming to the requirements of the Contract Documents, at Contractor's sole cost and expense. If the Contractor fails to correct non-conforming Work and supplied Goods, within a reasonable time, SJRA may correct it and Contractor shall promptly pay SJRA all costs of correction. Nothing contained in this paragraph 5.13 shall be construed to establish a period of limitation with respect to other obligations which the Contractor might have under the Contract Documents or at law or in equity. Establishment of the one-year period for correction of Work and supplied Goods, as described in this paragraph 5.13 relates only to the specific obligation of the Contractor to correct the Work and supplied Goods, and has no relationship to the time within which the obligation to comply with the Contract Documents and any implied warranties may be sought to be enforced, nor to the time within which legal proceedings may be commenced to establish the Contractor's liability with respect to the Contractor's obligations other than specifically to correct the Work and supplied Goods.

5.14 Contractor shall not subcontract the performance of the entire Work, supply of Goods, or the supervision and direction of the Work without SJRA's prior written consent. Contractor shall not employ any subcontractor, whether initially or as a substitute, against whom SJRA may have reasonable objection. Contractor shall enter into written agreements with all subcontractors which specifically bind the subcontractors to the applicable terms and conditions of the Contract Documents for the benefit of SJRA. Contractor shall be fully responsible to SJRA for all acts and omissions of its subcontractors and other persons and organizations performing or furnishing any of the Work under a direct or indirect contract with Contractor just as Contractor is responsible for Contractor's own acts and omissions. Nothing in the Contract Documents shall create for the benefit of any such subcontractor or other person or organization any contractual relationship between SJRA and any such subcontractor or other person or organization, nor shall it create any obligation on the part of SJRA to pay or to see to the payment of any moneys due any such subcontractor or other person or organization except as may otherwise be required by applicable law. Contractor shall pay each subcontractor and other persons and organizations performing or furnishing any of the Work their appropriate share of payments made to Contractor not later than ten (10) days after Contractor's receipt of payment from SJRA. To the extent allowed by Texas law, SJRA shall be deemed to be a third party beneficiary to each subcontract and may, if SJRA elects, following a termination of the Contractor, require that the subcontractor(s) perform all or a portion of unperformed duties and obligations under its subcontract(s) for the benefit of SJRA, rather than the Contractor. In the event that SJRA elects to invoke its right under this section, SJRA will provide written notice of such election to the terminated Contractor and the affected subcontractor(s).

5.15 In accordance with Chapter 2258 of the Texas Government Code, Contractor shall pay and shall require that each of its subcontractors pay not less than the general prevailing rate of per diem wages in the locality in which the Work is to be performed for each craft or type of worker needed to execute the Work, and the prevailing rate for legal holiday and overtime work, as determined by SJRA. Such prevailing rates are those determined by the United States Department of Labor, and are available at <http://www.dol.gov/whd/contracts/dbra.htm> and at the Wage Determination website at www.wdol.gov

5.16 Contractor shall maintain a work force adequate to accomplish the Work within the Contract Time. Contractor agrees to employ only orderly and competent workers, skillful in performance of the Work. Contractor and any subcontractor, and their respective employees, may not use or possess any alcoholic or other intoxicating beverages, illegal drugs or controlled substances while on the job or SJRA property, nor may such workers be intoxicated, or under the influence of alcohol or drugs, on the job. Subject to the applicable provision of Texas law, Contractor and any subcontractor and their respective employees, may not use or possess any firearms or other weapons while on the job or on SJRA property. If the SJRA or and SJRA Division representative notifies Contractor that any of worker or representative is incompetent, disorderly, abusive, or disobedient, has knowingly or repeatedly violated safety regulations, has possessed any firearms in contravention of the applicable provisions of Texas Law or this Agreement, or has possessed or was under the influence of alcohol or drugs on the job, Contractor shall immediately remove such worker or representative, including any officer or owner of Contractor, from performing the Work, and may not employ such worker or representative again on the Work without SJRA's prior written consent. Contractor shall at all times maintain good discipline and order on SJRA property in all matters pertaining to this Work.

5.17 Contractor agrees to assign and hereby assigns to SJRA any rights it may have to bring antitrust suits against its manufacturers or suppliers for overcharges on materials incorporated in the Work growing out of illegal price fixing agreements. Contractor further agrees to cooperate with SJRA should SJRA wish to prosecute suits against manufacturers or suppliers for illegal price fixing.

5.18 Contractor shall be fully responsible to SJRA for all acts and omissions of the subcontractors, manufacturers, or suppliers and other persons and organizations performing or furnishing any of the Work under a direct or indirect contract with Contractor just as Contractor is responsible for Contractor's own acts and omissions. Nothing in the Contract Documents shall create for the benefit of any such subcontractor, manufacturer, or supplier or other person or organization any contractual relationship between SJRA and any such subcontractor, supplier, manufacturer or other person or organization, nor shall it create any obligation on the part of SJRA to pay or to see to the payment of any moneys due any such subcontractor, manufacturer or supplier or other person or organization except as may otherwise be required by laws and regulations.

5.19 Contractor shall be solely responsible for efficiently scheduling and coordinating the Work of subcontractors, manufacturers, suppliers and other persons and organizations performing or furnishing any of the Work under a direct or indirect contract with Contractor in order to avoid any delays or inefficiencies in the prosecution of the Work. Contractor shall require all subcontractors, manufacturers, suppliers and such other persons and organizations performing or furnishing the any of the Work to communicate with the designated SJRA Division representative through Contractor.

5.20 Contractor shall pay each subcontractor, manufacturer and supplier their appropriate share of payments made to Contractor not later than ten (10) Calendar Days from Contractor's receipt of payment from SJRA. To the extent allowed by Texas law, SJRA shall be deemed to be a third party beneficiary to each subcontract and may, if SJRA elects, following a termination of the Contractor, require that the subcontractor(s) perform all or a portion of unperformed duties and obligations under its subcontract(s) for the benefit of SJRA, rather than the Contractor; however, if SJRA requires any such performance by a subcontractor for SJRA's direct benefit, then SJRA shall be bound and obligated to pay such subcontractor the reasonable value for all Work performed by subcontractor to the date of termination of the Contractor, less payments to Contractor for such subcontractor's work, and for all Work performed by subcontractor thereafter. In the event that SJRA elects to invoke its right under this section. SJRA will provide written notice of such election to the terminated Contractor and the affected subcontractor(s).

5.21 Contractor shall be responsible at all times for compliance with applicable patents or copyrights encompassing, in whole or in part, any design, device, material, or process utilized directly or indirectly, in the performance of the Work or the formulation or any of the exhibits or attachments hereto. SJRA reserves the right to provide its own defense to any suit or claim of infringement of any patent or copyright in which event Contractor shall, to the extent provided in this subsection, indemnify and save harmless SJRA from all costs and expenses of such defense as well as satisfaction of all judgments entered against SJRA. 6.1.3 Contractor's obligations under this Agreement to defend, indemnify and hold harmless SJRA shall not be limited in any way by any insurance required of Contractor by this Agreement or otherwise provided or maintained by Contractor. For purposes of this Attachment B, "ISO" means Insurance Services Office.

1.0 Contractor Insurance Representations to SJRA.

1.1 It is expressly understood and agreed that the insurance coverages required herein:

1.1.1 Represent SJRA's minimum requirements and are not to be construed to void or limit Contractor's indemnity obligations as contained in the Contract, nor represent in any manner a determination of the insurance coverages Contractor should or should not maintain for its own protection; and

1.1.2 Are being, or have been, obtained by Contractor in support of Contractor's liability and indemnity obligations under the Contract. Irrespective of the requirements as to insurance to be carried as provided for herein, the insolvency, bankruptcy or failure of any insurance company carrying insurance of Contractor, or the failure of any insurance company to pay claims accruing, shall not be held to affect, negate or waive any of the provisions of the Contract.

1.2 Failure to obtain and maintain the required insurance shall constitute a material breach of, and default under, this Contract. If Contractor shall fail to remedy such breach, Contractor will be liable for any and all costs, liabilities, damages and penalties resulting to SJRA from such breach, unless a written waiver of the specific insurance requirement(s) is provided to Contractor by SJRA. In the event of any failure by Contractor to comply with the insurance requirements of the Contract, SJRA may, without in any way compromising or waiving any right or remedy at law or in equity, on notice to Contractor, purchase such insurance, at Contractor's expense, provided that SJRA shall have no obligation to do so and if SJRA shall do so, Contractor shall not be relieved of or excused from the obligation to obtain and maintain such insurance amounts and coverages.

2.0 Conditions Affecting All Insurance Required Herein.

2.1 Cost of Insurance. All insurance coverage shall be provided at Contractor's sole expense.

2.2 Maintenance of Insurance. 2.5 Limits of Liability. The limits of liability may be provided by a single policy of insurance or by a combination of primary and umbrella policies, but in no event shall the total limits of liability available for any one occurrence or accident be less than the amount required herein.

2.6 Notice of Cancellation or Material Change in Coverage. Contractor and the insurer shall provide SJRA with thirty days prior written notice of cancellation or material change in coverage.

2.7 Waiver of Rights of Recovery and Subrogation. The Contractor hereby waives its rights of recovery from the SJRA with regard to all causes of property and/or liability loss and shall cause a waiver of subrogation endorsement to be provided in favor of SJRA on all insurance coverage carried by the Contractor, whether required herein or not.

2.8 Deductible/Retention. Except as otherwise specified herein, no insurance required herein shall contain a deductible or self-insured retention in excess of \$10,000 without prior written approval of SJRA. All deductibles and/or retentions shall be paid by, assumed by, for the account of, and at Contractor's sole risk. Contractor shall not be reimbursed for same. If the insurance contains a self-insured retention, the policy shall allow the self-insured retention to be paid or satisfied by a party other than the named insured.

2.9 Minimum Limits. The inclusion of required minimum insurance limits in the Contract Documents shall not be construed as limiting the SJRA's or other additional insured's rights under any policy with higher limits. The minimum insurance limits set forth in this Attachment B shall be deemed to be amended to any higher limits actually contained in Contractor's insurance policies.
