

San Jacinto River Authority

Notice of Amended Rate Order for Woodlands Wholesale Customers Effective September 1, 2019

August 28, 2019

Dear Woodlands Wholesale Customer:

On August 22, 2019, the San Jacinto River Authority's (SJRA) Board of Directors adopted the amended Woodlands Rate Order. The amended Woodlands Rate Order is available on SJRA's website at www.SJRA.net/Woodlands under the "Consumer Information" tab. We recommend that you review and become familiar with the amended Woodlands Rate Order.

Effective as of **September 1, 2019**, the Wholesale Water Rate will increase from the current rate of \$2.10/1,000 gallons to \$2.19/1,000 gallons, and the Wholesale Wastewater Rate will increase from the current rate of \$4.30/1,000 gallons to \$4.49/1,000 gallons. These fees generate the revenues necessary to pay for the operation and maintenance of the SJRA Woodlands Division Wholesale facilities and to fund debt service. SJRA strives at all times to manage the costs of implementation of the Woodlands Division so that the lowest responsible fees are adopted.

If you have any questions about the amended Woodlands Rate Order or would like to receive a paper copy of same, please feel free to contact Woodlands Division staff by telephone at (281) 367-9511.

Sincerely,

A handwritten signature in blue ink that reads "Chris Meeks".
