This Request for Qualifications (RFQ) solicits information that will enable SJRA to determine the highest qualified Consultant(s) that shall provide the Professional services for various projects to be performed by the SJRA.

The San Jacinto River Authority is exempt from Federal Excise and State Sales Tax.

2. OVERVIEW OF SAN JACINTO RIVER AUTHORITY (SJRA)

The SJRA was originally created by the Texas Legislature as the “San Jacinto River Conservation and Reclamation District” by House Bill No. 832, Chapter 426, of the General and Special Laws of the 45th Texas Legislature, Regular Session, 1937. In 1951, the Texas Legislature changed the name of the “San Jacinto River Conservation and Reclamation District” to the “San Jacinto River Authority.” The SJRA is a government agency whose mission is to develop, conserve, and protect the water resources of the San Jacinto River basin. Covering all or part of seven counties, the organization’s jurisdiction includes the entire San Jacinto River watershed with the exception of Harris County, including all of Montgomery County and parts of Walker, Waller, San Jacinto, Grimes, Ft. Bend, and Liberty Counties. The SJRA is one of ten (10) major river authorities in the State of Texas.

The SJRA’s general offices are located at 1577 Dam Site Road, Conroe, Texas 77304. SJRA has six (6) separate divisions, the General and Administrative Division, Lake Conroe Division, Woodlands Division, Highlands Division, Groundwater Reduction Plan (GRP) Division, and the Flood Management Division. More information can be accessed here: <http://www.sjra.net/about/>

3. PROJECT REQUIREMENTS AND PROJECT DESCRIPTION

The Consultant shall furnish all required labor, materials, supplies and travel required in connection with these projects. The SJRA expects that the project staff will include individuals with expertise in performing Professional Surveying Services for a governmental entity.

EXHIBIT “A”

(Professional Services Agreement)

PROFESSIONAL SERVICES AGREEMENT
CONTRACT NO. _____

This Professional Services Agreement (the "Agreement") is made and entered into effective as of the _____ day of _____, 201_, by and between the San Jacinto River Authority, a conservation and reclamation district of the State of Texas, ("SJRA") with general and administration offices located at 1577 Dam Site Road, Conroe, Texas 77304,

and

_____, a [corporation, limited partnership, limited liability company] organized under the laws of the State of _____, ("CONSULTANT") with principal offices located at _____.

SJRA and CONSULTANT are sometimes referred to herein collectively as the "Parties" or individually as a "Party."

The Parties hereby agree as follows:

ARTICLE 1 – SCOPE OF SERVICES

1.1 CONSULTANT agrees to perform Professional Services (the "Services") related to _____ as are requested from time to time by SJRA, which Services shall be set forth more particularly in Work Orders, the form of which is attached hereto as Attachment B, issued from time to time by SJRA and accepted by CONSULTANT. Each Work Order shall constitute a separate and independent agreement between CONSULTANT and SJRA.

1.2 Work Orders shall contain the schedule, price, and payment terms applicable to the Services within the scope of such orders. Time is of the essence to this Agreement and all Work Orders. Work Orders shall become effective when an acknowledged copy thereof is signed by a duly authorized officer of CONSULTANT, returned to SJRA and countersigned by SJRA. The specific terms of a Work Order may not be modified unless such modifications are agreed to in writing by SJRA and CONSULTANT.

1.3 All Work Orders incorporate and shall be governed by and subject to the terms, conditions, and other provisions of this Agreement; provided, however, that a Work Order may specifically state a term, condition, or other provision of this Agreement that is being modified thereby. Unless so stated, the terms, conditions, or other provisions contained in any Work Order or any proposal attached to or incorporated into a Work Order that conflict with any terms, conditions, or other provisions of this Agreement shall have no effect and shall be deemed stricken and severed from such Work Orders, and the balance of the terms, conditions, and other provisions contained in such Work Orders shall remain in full force and effect. Modifications of the terms, conditions, or other provisions of this Agreement with respect to a particular Work Order shall not modify the terms, conditions or other provisions of this Agreement with respect to any other Work Order.

1.4 Nothing herein shall obligate SJRA to issue, or CONSULTANT to accept, any Work Orders. Further, the Parties agree that nothing in this Agreement shall prohibit the Parties, or either of them, from entering into agreements other than this Agreement for Professional Services or other work.

ARTICLE 2 – TERM OF AGREEMENT

2.1 This Agreement shall be effective for a term of one (1) year from the date first set forth above and shall be automatically renewed without action by either Party for subsequent terms of one year unless terminated earlier in writing in accordance with Article 12.

2.2 Notwithstanding the foregoing Paragraph 2.1, this Agreement shall apply to and remain in effect for Work Orders issued and accepted during the term of this Agreement until such time as Consultant's obligations in connection with the Services under such Work Orders have been completed and fulfilled; provided however, that, pursuant to Article 12, either Party shall have the right to terminate any Work Order for cause and SJRA shall have the right to terminate any Work Order for convenience.

2.3 Without limiting the generality of the foregoing Paragraph 2.2, Consultant's obligations under Articles 5, 6, 8, 9, 10, 11, 18, 19 and 20 shall survive the expiration of termination of this Agreement or any Work Order.

ARTICLE 3 – COMPENSATION AND PAYMENT

3.1 SJRA agrees to pay CONSULTANT, and CONSULTANT agrees to accept, as full and complete compensation for Services properly performed by CONSULTANT in accordance with this Agreement and applicable Work Order, the rates and charges agreed upon for a specific Work Order. Paragraphs A.1 or A.2 of Attachment A, which is attached hereto and incorporated herein by reference, shall be used to negotiate the compensation payable for each Work Order issued hereunder.

3.2 On or before the tenth day of each calendar month, CONSULTANT shall submit an invoice to SJRA, together with backup documentation required by SJRA and releases and waivers in forms acceptable to SJRA, covering all Services performed under any Work Order by CONSULTANT and its subconsultants, subcontractors and suppliers during the preceding calendar month. CONSULTANT shall separately itemize on each invoice: (i) each Work Order for which payment is sought, (ii) the amount budgeted for each such Work Order, (iii) the amount of payment requested pursuant to each such Work Order, (iv) the amount previously paid pursuant to each such Work Order, (v) descriptions of Services performed during the prior month pursuant to each such Work Order, and (vi) the total payment requested by such invoice. SJRA shall pay the amount it agrees to be due within thirty (30) days after receipt of such complete invoice and backup documentation.

3.3 SJRA shall have the right but not the obligation to withhold all or any part of payment requested in any invoice to protect SJRA from loss or expected loss because of:

- (a) Services that are not in compliance with this Agreement or the applicable Work Order or any failure of CONSULTANT to perform Services in accordance with the provisions of this Agreement or the applicable Work Order;
- (b) third party suits, stop notices, claims or liens arising out of Services performed for which CONSULTANT is responsible pursuant to this Agreement and asserted or filed against SJRA or any of its property or portion thereof or improvements thereon provided that CONSULTANT fails to provide SJRA with sufficient evidence that CONSULTANT's insurance is adequate or shall cover the claim(s);
- (c) uninsured damage to any INDEMNITEE (hereinafter defined) which results from CONSULTANT's failure to obtain or maintain the insurance required by this Agreement or from any action or inaction by CONSULTANT or any of its subcontractors, subconsultants, or suppliers

which excuses any insurer from liability for any loss or claim which would, but for such action or inaction, be covered by insurance; or

(d) any failure of CONSULTANT to pay any subcontractor, subconsultant, or supplier of CONSULTANT the correct, undisputed, and contractually obligated amount for acceptable services received and for acceptable supplies received. CONSULTANT will not include in its billings to SJRA any amount in a subcontractor or supplier invoice which it has not paid or does not intend to pay within the terms and conditions of the applicable subcontract agreement or supplier purchase order.

Any failure by SJRA to exercise its right to withhold all or any part of payment requested in any invoice as provided in this Paragraph 3.3 shall not be and shall not be construed as (i) a waiver of SJRA's right to do so in the future, or (ii) evidence that any of the circumstances identified in Subparagraphs 3.3(a) through (d) above have not occurred.

3.4 CONSULTANT agrees to pay in full (less any applicable retainage) as soon as reasonably practicable, but in no event later than thirty (30) days following payment from SJRA, all subcontractors, subconsultants, and any other persons or entities supplying labor, supplies, materials, or equipment in connection with Services that are owed payment by CONSULTANT out of such payment made to CONSULTANT by SJRA. Further, provided that SJRA has paid CONSULTANT in accordance with the terms of this Agreement and any particular Work Order, CONSULTANT shall defend and indemnify SJRA from and against any claims for payment asserted or filed by any such person or entity against SJRA, its project or property or CONSULTANT.

ARTICLE 4 – STANDARD OF CARE; COORDINATION OF SERVICES; SAFETY; COST ESTIMATES; LEGAL COMPLIANCE; THIRD PARTY REVIEW

4.1 **[OPTION 1: FOR PSA WITH ENGINEER OR ARCHITECT --** CONSULTANT shall perform, supervise and direct the Services, and otherwise discharge its obligations under this Agreement and any Work Order: (a) with the Professional skill and care ordinarily provided by competent **[engineers][architects]** practicing under the same or similar circumstances and Professional license; and (b) as expeditiously as is prudent considering the ordinary Professional skill and care of a competent **[engineer][architect]** (collectively, the CONSULTANT's "Standard of Care").**][OPTION 2: FOR PSA NOT WITH AN ENGINEER OR ARCHITECT --** CONSULTANT shall: (a) perform, supervise and direct the Services, using reasonable skill and attention, in a good, workmanlike and timely manner and in a reasonable and expeditious and economical manner consistent with the interests of SJRA; (b) exercise the degree of care, skill, and diligence in the performance of the Services in accordance with and consistent with the Professional skill, care and diligence ordinarily provided by Professional consultants of the same discipline practicing in major metropolitan areas under the same or similar circumstances; and (c) utilize reasonable skill, efforts, and judgment in furthering the interests of SJRA (collectively, the CONSULTANT's "Standard of Care").**]**

4.2 Consistent with its Standard of Care, CONSULTANT shall (a) perform its Services in accordance with all applicable laws, codes, ordinances and regulations; (b) perform its Services in an efficient manner; and (c) keep SJRA apprised of the status of Services, coordinate its activities with SJRA, and accommodate other activities of SJRA at sites that Services impact. CONSULTANT shall designate an authorized representative to be available for consultation, assistance, and coordination of activities.

4.3 CONSULTANT shall be responsible for its own activities at sites including the safety of its employees, and that of its subconsultants, subcontractors and suppliers but shall not assume control of or responsibility for the site. Construction contractors of SJRA shall have sole responsibility for providing

materials, means, and methods of construction, for controlling their individual work areas and safety of said areas for all persons, and for taking all appropriate steps to ensure the quality of their work and the safety of their employees and of the public in connection with their performance of work or services provided under contracts with SJRA. However, CONSULTANT shall notify SJRA if it observes violations of safety regulations or ordinances or quality of work deficiencies by SJRA's construction contractors. CONSULTANT shall comply with the site safety program and rules established by the construction contractors.

4.4 To the extent that CONSULTANT provides to SJRA any estimate of costs associated with construction, any such estimate shall be developed in accordance with CONSULTANT's Standard of Care, but it is recognized by the Parties that neither CONSULTANT nor SJRA has control over the cost of the labor, materials, or equipment, over a construction contractor's methods of determining bid prices, or over competitive bidding, market, or negotiating conditions. Accordingly, CONSULTANT cannot and does not warrant or represent that bids or negotiated prices will not vary from SJRA's budget for the project or from any estimate of the cost of work or evaluation prepared or agreed to by CONSULTANT.

4.5 With respect to providing Services hereunder, CONSULTANT agrees to meet at the time applicable (i) Equal Employment Opportunity ordinances, rules and regulations, and (ii) Affirmative Action ordinances, rules and regulations. In addition, pursuant to Section 2270.002 of the Texas Government Code, contemporaneous with CONSULTANT's execution of this Agreement, CONSULTANT shall execute the Verification Company Does Not Boycott Israel, attached hereto in Exhibit 1 and incorporated herein. CONSULTANT may use the following link to access the Conflict of Interest Questionnaire form: https://www.ethics.state.tx.us/filinginfo/conflict_forms.htm. CONSULTANT shall submit a signed Texas Government Code 2252 Certification Form, at the time CONSULTANT submits this signed Agreement to SJRA, attached hereto in Exhibit 1.

4.6 CONSULTANT acknowledges and agrees that projects of SJRA may be subject to review and approval by other third parties. Accordingly, as and when requested by SJRA, CONSULTANT shall submit such information and cooperate with the other third parties to the extent necessary to undergo any such review or obtain any such approval.

4.7 CONSULTANT does not represent Work Product to be suitable for reuse on any other project or for any other purpose(s). If SJRA reuses any Work Product without CONSULTANT's specific written verification or adaptation, such reuse will be at the risk of SJRA, without liability to CONSULTANT.

ARTICLE 5 – COST RECORDS

5.1 CONSULTANT shall maintain records and books in accordance with generally accepted accounting principles and practices. For Services provided by CONSULTANT under cost reimbursable, time and material or unit price Work Orders, during the period of this Agreement and for five (5) years thereafter, CONSULTANT shall maintain records of direct costs for which SJRA is charged. SJRA shall at all reasonable times have access to such records for the purpose of inspecting, auditing, verifying, or copying the same, or making extracts therefrom. SJRA's audit rights for fixed unit rate or time and materials Work Orders shall extend to review of records for the purpose of substantiating man-hours worked, units employed, and third party charges only. Except to the extent audit rights are granted to SJRA by applicable law, SJRA shall have no audit rights with respect to the portion of Work Orders or Services compensated on a lump sum basis.

ARTICLE 6 – OWNERSHIP OF WORK PRODUCT AND TECHNOLOGY

6.1 All studies, plans, reports, drawings, specifications, cost estimates, software, computations, and other information and documents prepared by CONSULTANT, its subconsultants, subcontractors, and/or suppliers, in connection with Services or any project of SJRA are and shall remain SJRA's property upon creation (collectively, "Work Product"); provided, however, that Work Product shall not include pre-existing proprietary information of CONSULTANT, its subconsultants, subcontractors, and/or suppliers ("CONSULTANT Proprietary Information"). To this end, CONSULTANT agrees to and does hereby assign, grant, transfer, and convey to SJRA, its successors and assigns, CONSULTANT's entire right, title, interest and ownership in and to such Work Product, including, without limitation, the right to secure copyright registration. CONSULTANT confirms that SJRA and its successors and assigns shall own CONSULTANT's right, title and interest in and to, including without limitation the right to use, reproduce, distribute (whether by sale, rental, lease or lending, or by other transfer of ownership), to perform publicly, and to display, all such Work Product, whether or not such Work Product constitutes a "work made for hire" as defined in 17 U.S.C. Section 201(b). In addition, CONSULTANT hereby grants SJRA a fully paid-up, royalty free, perpetual, assignable, non-exclusive license to use, copy, modify, create derivative works from and distribute to third parties CONSULTANT Proprietary Information in connection with SJRA's exercise of its rights in the Work Product, operation, maintenance, repair, renovation, expansion, replacement, and modification of projects of SJRA or otherwise in connection with property or projects in which SJRA has an interest (whether by SJRA or a third party). CONSULTANT shall obtain other assignments, confirmations, and licenses substantially similar to the provisions of this paragraph from all of its subconsultants, subcontractors, and suppliers. Work Product is to be used by CONSULTANT only with respect to the project in connection with which such Work Product was created and is not to be used on any other project. CONSULTANT and its subconsultants, subcontractors, and suppliers are granted a limited, nonexclusive, non-transferable, revocable license during the term of their respective agreements under which each is obligated to perform Services to use and reproduce applicable portions of the Work Product appropriate to and for use in the execution of Services. Submission or distribution to comply with official regulatory requirements for other purposes in connection with Services is not to be construed as publication in derogation of SJRA's copyright or other reserved rights. CONSULTANT shall deliver all copies of the Work Product to SJRA upon the earliest to occur of SJRA's request, completion of Services in connection with which Work Product was created, or termination of this Agreement. CONSULTANT is entitled to retain copies of Work Product for its permanent project records.

6.2 CONSULTANT agrees that all information provided by SJRA in connection with Services shall be considered and kept confidential ("Confidential Information"), and shall not be reproduced, transmitted, used, or disclosed by CONSULTANT without the prior written consent of SJRA, except as may be necessary for CONSULTANT to fulfill its obligations hereunder; provided, however, that such obligation

The obligations of CONSULTANT under this Paragraph 8.1 are in addition to other rights and remedies of SJRA available to it pursuant to this Agreement or applicable law.

8.2 CONSULTANT agrees to assign SJRA the warranty or guarantee of any subconsultant, subcontractor, supplier or manufacturer of items of services, supplies, machinery, equipment, materials, or products provided by CONSULTANT hereunder and cooperate and assist SJRA in SJRA's enforcement thereof. CONSULTANT's responsibility with respect thereto is limited to such assignment, cooperation, and assistance. The representations and warranties of CONSULTANT under this Agreement and Work Orders are made in lieu of any other warranties or guarantees and CONSULTANT makes no other warranties whether expressed or implied, including any warranty of merchantability or fitness for a particular purpose, and CONSULTANT shall have no liability to SJRA based upon any theory of liability that any such other warranty was made or breached.

8.3 CONSULTANT warrants and represents that: (i) CONSULTANT does not have any contracts with and does not provide supplies or services to any organization designated as a foreign terrorist organization by the United States secretary of state as authorized by 8 U.S.C. Section 1189 (a "Foreign Terrorist Organization"); or (ii) the United States government has affirmatively declared CONSULTANT to be excluded from its federal sanctions regime relating to Sudan, its federal sanctions regime relating to Iran, or any federal sanctions regime relating to a Foreign Terrorist Organization.

ARTICLE 11 – INSURANCE

11.1 **General Requirements.** CONSULTANT shall, at all times during the performance of Services pursuant to Work Orders issued under this Agreement and for not less than two years after the completion of any Services, provide and require all subconsultants and subcontractors to provide insurance coverage with companies lawfully authorized to do business in Texas and acceptable to SJRA and with forms of policies acceptable to SJRA, which coverage will protect CONSULTANT from claims set forth below which may arise out of or result from CONSULTANT's Services and operations under this Agreement and any Work Order for which CONSULTANT may be legally liable, whether such Services or operations are by CONSULTANT or a subconsultant or subcontractor of CONSULTANT or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable, and meeting not less than the minimum requirements set forth in this Article 11. Such insurance is to be provided at the sole cost of CONSULTANT and all subconsultants and subcontractors. The terms "subconsultant" and "subcontractor" for the purposes of this Article 11 shall include subconsultants and subcontractors of any tier.

- (c) All required insurance shall be maintained with responsible insurance carriers acceptable to SJRA and lawfully authorized to issue insurance of the types and amounts set forth in this Article 11. Carriers should have a Best's Financial Strength Rating of at least "A-" and a Best's Financial Size Category of Class VIII or better, according to the most current edition of *Best's Key Rating*

Guide, Property-Casualty United States or be of sufficient size and financial strength as adjudged by SJRA to meet the financial obligations evidenced in the certificate of insurance.

(d) All certificates shall be in a form reasonably acceptable to SJRA and each certificate must state to the extent permitted by Texas Insurance Code Chapter 1811 that the policy may not expire or be cancelled, materially modified, or non-renewed unless the carrier and/or CONSULTANT gives SJRA thirty (30) days advance written notice. When any required insurance, due to the attainment of a normal expiration date or renewal date, shall expire, CONSULTANT shall, prior to such expiration, supply SJRA with certificates of insurance and amendatory riders or endorsements that clearly evidence the continuation of all coverage in the same manner, limits of protection, and scope of coverage as is required by this Agreement. Any renewal or replacement policies shall be in form and substance satisfactory to SJRA and written by carriers acceptable to SJRA and meeting the requirements of this Article 11. CONSULTANT shall or shall cause the applicable carrier or carriers to give written notice to SJRA within thirty (30) days of the date on which total claims by any Party against insurance provided pursuant to this Article 11 reduce the aggregate amount of coverage below the amounts required by this Article 11. In addition, CONSULTANT shall or shall cause the applicable carrier or carriers to provide SJRA with amendatory riders or endorsements to the Commercial General Liability Insurance policy that specify that the coverage limits apply on a per-project basis.

(e) With respect to all policies required in this Article 11, as soon as practicable prior to execution of this Agreement, CONSULTANT shall deposit with SJRA true and correct original certificates thereof, bearing notations or accompanied by other evidence satisfactory to SJRA that the requirements of this Article 11 are being met. If requested to do so by SJRA, CONSULTANT shall also furnish the originals or certified copies of the insurance policies for inspection including but not limited to copies of endorsements.

(f) All policies of insurance and certificates, with the exception of Professional Liability and Workers' Compensation Insurance, shall name the INDEMNITEES as additional insureds. Without limiting the foregoing, CONSULTANT's Commercial General Liability Insurance policy shall name the INDEMNITEES as additional insureds pursuant to ISO Additional Insured Endorsements CG 20-10-10-01 and CG 20-33-10-01 or their combined equivalents. Further, the CONSULTANT shall provide the INDEMNITEES any defense provided by its Commercial General Liability Insurance policy to the fullest extent allowed by law.

(g) CONSULTANT hereby waives all rights of recovery and damages against the INDEMNITEES to the extent such damages are covered or should have been covered by the insurance obtained or required to be obtained by CONSULTANT under this Agreement. All of CONSULTANT's policies of insurance, with the exception of Professional Liability Insurance, shall include a waiver of subrogation in favor of the INDEMNITEES.

(h) The Parties intend that the CONSULTANT'S insurance shall be primary and non-contributing with respect to any other insurance maintained by SJRA and all policies of insurance obtained by CONSULTANT shall be endorsed to be primary and non-contributing with respect to any other insurance maintained by SJRA.

(i) If any policy required to be purchased pursuant to this Article 11 is subject to a deductible, self-insured retention or similar self-insurance mechanism which limits or otherwise reduces coverage, the deductible, self-insured retention, or similar self-insurance mechanism shall be the sole responsibility of CONSULTANT in the event of any loss and CONSULTANT hereby waives any claim therefor against any INDEMNITEE.

(j) CONSULTANT shall require and cause its subconsultants and subcontractors to purchase and maintain the insurance policies set forth in Paragraph 11.1(b) above with limits of liability commensurate with the amount of each sub consulting or subcontract agreement, but in no case less than \$500,000 per occurrence. CONSULTANT shall provide copies of insurance certificates for all such insurance to SJRA prior to any sub consultant's or subcontractor's performance of any Services.

(k) If CONSULTANT fails to procure or to maintain in force the insurance required by this Article 11, SJRA may secure such insurance and the costs thereof shall be borne by CONSULTANT. CONSULTANT shall reimburse SJRA the cost of such insurance plus a ten percent (10%) administrative charge within ten (10) days after billing by SJRA. Any sum remaining unpaid fifteen (15) days after billing by SJRA shall bear interest at the rate of twelve percent (12%) per annum until paid by CONSULTANT. Except to the extent prohibited by Subchapter C of Chapter 151 of the Texas Insurance Code, CONSULTANT shall defend, indemnify, and hold harmless the INDEMNITEES from and against any and all losses, claims, damages, and expenses (including, without limitations, court costs, costs of defense, and attorneys' fees), that any INDEMNITEE may incur as a result of CONSULTANT's failure to obtain or cause to be obtained the specific endorsements or insurance required pursuant to this Agreement. Failure of any INDEMNITEE to identify any deficiency in the insurance forms provided shall not be construed as a waiver of CONSULTANT's obligation to maintain such insurance and to cause such insurance to be maintained.

(l) CONSULTANT's compliance with the provisions of this Article 11 shall not be deemed to constitute a limitation of CONSULTANT's liability with respect to claims covered by insurance provided or required pursuant to this Article 11 or in any way limit, modify, or otherwise affect CONSULTANT's obligation under this Agreement or otherwise. CONSULTANT's obligations under this Agreement to defend, indemnify and/or hold harmless INDEMNITEES shall not be limited in any way by any insurance required of CONSULTANT by this Agreement or otherwise provided or maintained by CONSULTANT. Any insurance obligations of CONSULTANT under this Agreement are independent from CONSULTANT's obligations under this Agreement to defend, indemnify and/or hold harmless INDEMNITEES. The insolvency, bankruptcy, or failure of any insurance company carrying insurance for CONSULTANT or any subcontractor, or the failure or any insurance company to pay claims accruing shall not be held to waive any of the provisions of this Agreement.

(m) If requested by SJRA, CONSULTANT shall furnish or shall cause to be furnished any such other insurance or limits as SJRA may reasonably deem necessary for any Work Order or Orders and the cost thereof shall be charged to SJRA by appropriate modification of any such Order(s).

ARTICLE 12 – CHANGES; TERMINATION FOR CONVENIENCE; TERMINATION FOR CAUSE

12.1 SJRA may, at any time and from time to time, make written changes to Work Orders in the form of modifications, additions, or omissions. In the event that any such change, through no fault of CONSULTANT, shall impact CONSULTANT's compensation or schedule, then (a) such changes shall be authorized by written change order issued by SJRA and accepted by CONSULTANT, and (b) an equitable adjustment shall be made to the Work Order in writing duly executed by both Parties, to reflect the change in compensation and schedule.

12.2 SJRA may for convenience terminate this Agreement, any Work Order issued under this Agreement, or CONSULTANT's right to perform Services under this Agreement or any Work Order by at any time giving seven (7) days written notice of such termination. In such event, SJRA shall have the right but not the obligation to assume all obligations and commitments that CONSULTANT may have in good faith undertaken or incurred in connection with the Services terminated, and SJRA shall pay CONSULTANT, as its sole and exclusive remedy, for Services properly performed to date of termination and for reasonable costs of closing out such Services provided SJRA has pre-approved such costs. CONSULTANT shall not be entitled to lost profit on unperformed Services or any consequential damages of any kind. Upon termination, CONSULTANT shall invoice SJRA for all services performed by CONSULTANT prior to the time of termination which have not previously been compensated. Payment of undisputed amounts in the final invoice shall be due and payable within thirty (30) days after receipt by SJRA and SJRA's receipt of all Work Product.

12.3 This Agreement or any Work Order may be terminated by either Party in the event that the other Party fails to perform in accordance with its requirements and such Party does not cure such failure within ten (10) days after receipt of written notice describing such failure. In the event that SJRA terminates this Agreement or any Work Order for cause, CONSULTANT shall not be entitled to any compensation until final completion of the then ongoing Services and any such entitlement shall be subject to SJRA's right to offset and/or recoup all damages and costs associated with finally completing such Services. If for any reason, CONSULTANT is declared in default and/or terminated by SJRA under any Work Order with SJRA, SJRA shall have the right to offset and apply any amounts which might be owed to SJRA by CONSULTANT against any earned but unpaid amounts owed to CONSULTANT by SJRA under any Work Order. In the event any Work Order is terminated by SJRA, CONSULTANT shall promptly deliver to SJRA all Work Product with respect to such terminated Work Order.

ARTICLE 13 – FORCE MAJEURE

13.1 Any delay in performance or non-performance of any obligation other than an obligation to make a payment as required under this Agreement or any Work Order, of CONSULTANT contained herein shall be excused to the extent such delay in performance or non-performance is caused by Force Majeure. "Force Majeure" shall mean fire, flood, act of God, earthquakes, extreme weather conditions, epidemic, war, riot, civil disturbance or unrest, imposition of martial law, restrictions imposed by civil authority, loss of control of civil authority, illegal activity, extreme unreliability or failure of the utility infrastructure, failure of the US banking system, loss of access to communication systems, sabotage, terrorism, or judicial restraint, but only to the extent that such event (i) is beyond the control of and cannot be reasonably anticipated by or the effects alleviated by CONSULTANT and (ii) prevents the performance of Services.

13.2 If CONSULTANT is affected by Force Majeure, CONSULTANT shall promptly provide notice to SJRA, explaining in detail the full particulars and the expected duration thereof. Notice will be considered prompt if delivered within five days after CONSULTANT first becomes aware that the event of Force Majeure will affect the performance of Services and the end of the restrictions, if any, on CONSULTANT's ability to communicate with SJRA. CONSULTANT shall use its commercially reasonable efforts to mitigate the interruption or delay if it is reasonably capable of being mitigated.

ARTICLE 14 – SUCCESSORS, ASSIGNMENT AND SUBCONTRACTING

14.1 SJRA and CONSULTANT bind themselves and their successors, executors, administrators and permitted assigns to the other Party of this Agreement and to the successors, executors, administrators and permitted assigns of such other party, in respect to all covenants of this Agreement.

14.2 No right or interest in this Agreement or any Work Order shall be assigned by CONSULTANT or SJRA without the prior written consent of the other Party.

14.3 Prior to commencement of any part of the Services to be provided under any Work Order with respect to which CONSULTANT has elected to subcontract, CONSULTANT will notify SJRA in writing of the identity of the particular subcontractor, subconsultant or supplier CONSULTANT intends to employ for the performance of such part of the Services and the scope of Services it will perform. SJRA shall have the right within twenty-one (21) calendar days of such written notice to disallow CONSULTANT's employment of any particular subcontractor, subconsultant or supplier, provided that any reasonable additional costs incurred by CONSULTANT as a result of such disallowance shall be borne by SJRA.

ARTICLE 15 – SEVERABILITY; NON-WAIVER

15.1 If any provision or portion thereof of this Agreement or any Work Order is deemed unenforceable or void, then such provision or portion thereof shall be deemed severed from the Agreement or such Work Order and the balance of the Agreement or Work Order shall remain in full force and effect.

15.2 Failure by SJRA in any instance to insist upon observance or performance by CONSULTANT of any term, condition or obligation of this Agreement shall not be deemed a waiver by SJRA of any such observance or performance. No waiver by SJRA of any term, condition, obligation or breach of this Agreement will be binding upon SJRA unless in writing, and then will be for the particular instance specified in such writing only. Payment of any sum by SJRA to CONSULTANT with knowledge of any breach will not be deemed a waiver of such breach or any other breach.

ARTICLE 16 – LICENSE REQUIREMENTS

16.1 The CONSULTANT and any subconsultant shall have and maintain any licenses, registrations and certifications required by the State of Texas or recognized Professional organizations governing the Services performed under this Agreement and any Work Order.

ARTICLE 17 – ENTIRE AGREEMENT

17.1 This Agreement and all Work Orders issued under it contain the full and complete understanding of the Parties pertaining to their subject matter and supersede any and all prior and contemporaneous representations, negotiations, agreements or understandings between the Parties, whether written or oral. The Agreement and Work Orders may be modified only in writing, signed by both Parties.

ARTICLE 18 – GOVERNING LAW; VENUE

18.1 This Agreement and Work Orders, and its and their construction and any disputes arising out of, connected with, or relating to this Agreement or Work Orders shall be governed by the laws of the State of Texas, without regard to its conflicts of law principles. Venue of all dispute resolution proceedings arising out of, connected with or relating to this Agreement, shall be in Montgomery County, Texas.

ARTICLE 19 – DISPUTE RESOLUTION

19.1 In the event of any dispute arising out of or relating to this Agreement, any Work Order or any Services which SJRA and CONSULTANT have been unable to resolve within thirty (30) days after such dispute arises, a senior representative of CONSULTANT shall meet with the General Manager of SJRA at a mutually agreed upon time and place not later than forty-five (45) days after such dispute arises to attempt to resolve such dispute. In the event such representatives are unable to resolve any such dispute within

fifteen (15) days after such meeting, either Party may, by written notice to the other, submit such dispute to non-binding mediation before a mutually agreeable mediator. If the Parties are unable to agree upon a mediator within twenty (20) days after such written notice of submission to mediation, the American Arbitration Association shall be empowered to appoint a qualified mediator pursuant to the American Arbitration Association Construction Industry Mediation Rules. If the dispute is technical in nature, the mediator appointed by the American Arbitration Association shall be qualified by at least ten (10) years' experience in construction, engineering, and/or public works operations. The mediation shall be conducted within thirty (30) days of the selection or appointment of the mediator, as applicable. The mediation shall be held at a mutually agreeable location in Montgomery County, Texas. If the Parties are unable to agree on a location, the mediation shall be held at the offices of the American Arbitration Association closest to Conroe, Texas.

19.2 Any dispute arising out of or relating to this Agreement or any Work Order or any Services not resolved pursuant to Article 19.1, shall be resolved, by litigation in a court of competent jurisdiction.

19.3 Notwithstanding the foregoing, in the event SJRA and any other consultant and/or any contractor are involved in a dispute in connection with a project for which CONSULTANT has provided Services, and SJRA, in its sole discretion, determines that CONSULTANT's participation in any dispute resolution meeting or mediation proceeding between SJRA and any such consultant and/or contractor is necessary to the resolution of such dispute, CONSULTANT agrees to attend and participate at its own cost in any such dispute resolution meeting or mediation proceeding.

19.4 If CONSULTANT brings any claim against SJRA and CONSULTANT does not prevail with respect to such claim, CONSULTANT shall be liable for all attorneys' fees and costs incurred by SJRA as a result of such claim.

ARTICLE 20 – ELECTRONIC SIGNATURES; COUNTERPARTS

20.1 This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement. Duplicate copies of duly executed and delivered counterparts of this Agreement shall be deemed to have the same full force and effect as originals and may be relied upon as such. Notwithstanding the foregoing, the Parties agree that this Agreement and any Work Order may be executed using electronic signatures at the option and in the discretion of SJRA, and, in such event, the provisions of the Uniform Electronic Transaction Act, Chapter 332, Texas Business and Commerce Code, as amended, and any applicable policies and procedures of SJRA regarding electronic signatures shall apply.

ARTICLE 21 – CONFIDENTIALITY

21.1 Neither CONSULTANT nor any of its subconsultants shall publish or release any publicity or public relations materials of any kind concerning or relating to this Agreement, the Services or the activities of SJRA, unless such materials have first been reviewed and approved in writing by SJRA. This provision shall not apply to mandatory reports which CONSULTANT or its subconsultants are required by law to file with governmental authorities.

IN WITNESS WHEREOF, the Parties have entered into this Agreement as of the day and year herein above first written.

For hourly personnel, the Raw Salary Cost is defined as the hourly wage paid to the employee exclusive of burdens and benefits. Any shift premiums or premiums paid for hours worked in excess of 40 per week will be added to the base hourly wage and will be considered a part of the Raw Salary Cost.

(a) RAW SALARY MULTIPLIERS

X.XX for Professional and Non-Professional staff working at CONSULTANT or its subcontractor, subconsultant, or vendor offices

2.86 for Professional and Non-Professional staff working in the field during construction or at SJRA offices for a minimum period of six (6) consecutive months

2.75 for construction inspectors working in the field

(b) EXPENSES

“Billable Expenses” include all costs and expenses directly attributable to performance of the services, which are in good accounting practice direct costs of the Services and not covered by the allowance for payroll burden and general office overhead and profit. Costs of outside services will be charged at actual invoice cost plus ten percent (10%). “Billable Expenses” include: subconsultants; travel expenses to and from locations outside Harris and Montgomery Counties; and copies of all deliverables submitted to SJRA. All local vehicle use outside Harris and Montgomery Counties will be reimbursed at the current IRS allowable rate with no markup. A.2. LUMP SUM COMPENSATION

SJRA will compensate CONSULTANT on the basis of a mutually agreed upon lump sum price for the scope of work specified in the Work Order. SJRA may ask CONSULTANT for a cost estimate for the scope of work prior to issuing the Work Order. The cost estimate will include a summary breakdown showing the labor hours and cost, subconsultant costs, and other direct costs included in the estimate. Labor rates to be used in preparing the estimate will be the actual salary or wage of the employee times the appropriate multiplier specified in A.1 (a) above.
