Re: **RFQ# 19-0037 Surveying Services**

During this time of uncertainty, The San Jacinto River Authority (SJRA) is taking extra precautionary measures to help stem the spread of COVID-19. In an effort to continue with all phases of the solicitation process for above mentioned Request for Qualifications (RFQ), it has been decided to modify **RFQ document, page 6, Section 6., Pre-Submittal Meeting.**

The non-mandatory pre-submittal meeting will no longer take place at our physical location, General Administrative Building. Instead, SJRA will host a conference call to address any questions and/or clarifications regarding this RFQ. Meeting/Conference day and time will remain the same (10:00AM).

All interested parties will dial phone number and enter conference ID provided herein.
