

Solicitation for Public Comment

October 8, 2020

Notice is hereby given that the San Jacinto River Authority (SJRA) is seeking public comment and input on the draft Community Development Block Grant – Mitigation (CDBG-MIT) scope of work, budget, and mapping to be submitted to the Texas General Land Office (GLO). The SJRA intends to apply to the Texas General Land Office's Hurricane Harvey Flood Mitigation Competition as part of the CDBG-MIT program. The selected project for application is the Caney Creek Reservoir Upstream of FM 1097, which was identified as a priority project during the San Jacinto River Regional Watershed Master Drainage Plan study.

Written and oral comments regarding the draft scope of work, budget, and mapping will be taken during a fourteen (14) day public comment period, October 8 – October 22, 2020. The draft information can be found on SJRA's website at <https://www.sjra.net/floodmanagement/>. Additionally, printed versions of this information can be obtained from the SJRA headquarters located at 1577 Dam Site Road, Conroe, TX 77304

Submitted comments must be received by SJRA by 5:00 p.m. on October 22, 2020. Submission information is below:

- Address: 1577 Dam Site Road, Conroe, TX 77304
- Email: floodmanagementdivision@sjra.net
- Phone: (936) 588-7127
- Fillable Comment For: <https://www.sjra.net/floodmanagement/contact/>

The SJRA will provide reasonable accommodations for persons who wish to review and comment on the draft scope of work, budget, and mapping if access to this information cannot be obtained. Requests from persons needing special accommodations should be received by the SJRA staff forty-eight (48) hours prior to the end of the comment period. Please call (936) 588-7127 for assistance or more information about this posting.
