Dear Mr. Williams:

On June 24, 2021, Ms. Darian Brown and Mr. Justin Dockal of the Texas Commission on Environmental Quality (TCEQ) Houston Region Office conducted an investigation of the above-referenced regulated entity to evaluate compliance with applicable requirements for water quality. No violations are being alleged as a result of the investigation; however, please see the enclosed Additional Issue.

The TCEQ appreciates your assistance in this matter and your compliance efforts to ensure protection of the State's environment. If you or members of your staff have any questions regarding these matters, please feel free to contact Ms. Darian Brown in the Houston Region Office at (713) 767-3677.

Sincerely,

## ADDITIONAL ISSUES

### Description

Item 1

### Additional Comments

Steps should continue to be taken to properly mitigate odors from the wastewater treatment facility going off-site.

The SJRA is in the process of studying the area in order to address potential odors issues. The SJRA continues to provide updates to the TCEQ.
