**SJRA approves 2023-2024 wholesale water rates  
with no increases**

Groundwater and surface water rates for Groundwater Reduction Plan customers will see no increase in the 2023-24 fiscal year.

We work hard to provide a diversified portfolio of water supply sources for Montgomery County at the lowest possible rate. Read more:

## Sedimentation Study Public Meeting

Last Month SJRA held its second public meeting for its Upper San Jacinto River Basin Sedimentation Study. SJRA's, Water Resources Project Manager, Briana Gallagher presented on the background of the study and Civitas Engineering presented on the finds to date. The third public meeting will be held summer 2024. For more information on the Sedimentation Study, visit [here](#).

# #BestWaterInTexas

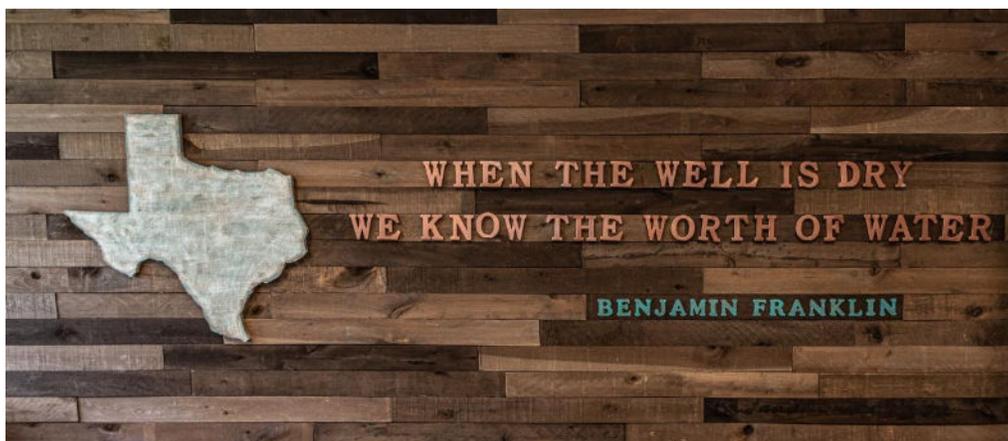

For 50 years, Lake Conroe has been a water resource for our community and wildlife! #LakeConroe50

October 2023 marks the 50<sup>th</sup> anniversary of Lake Conroe. The lake that has shaped the lives, history, and economy of our community is finally hitting this milestone. What's amazing is that many people who currently live in our community were here way back when the dam was being constructed! They have seen the incredible growth of our area that this lake has been a central part of.

Be on the look out for our Lake Conroe's 50th Anniversary article in [Dock Line Magazine](#).

## Water Conservation

Do you know how much water you use on a regular basis? A great way to know how to conserve water is to first know how much you currently use. Check out the [water use calculator](#) to see how much you use so you can create a plan for conserving in the future!

Click [HERE](#) to visit [www.sjra.net](http://www.sjra.net) to watch SJRA meetings live.

Scroll down to the embedded video box and click the appropriate tab and link.

To request a tour of any operational facility, visit [SJRA's Tour Request Form](#) page on [sjra.net](http://sjra.net).

## Tell Us How We're Doing!

SJRA values your opinions and thoughts.

We would love to hear from you on how we are doing. Please submit questions, concerns, or other feedback [here](#).

The San Jacinto River Authority (SJRA) receives no money from the state, nor does it collect any type of taxes.

SJRA's mission is to develop, conserve, and protect the water resources of the San Jacinto River basin. Covering all or part of seven counties, the organization's jurisdiction includes the entire San Jacinto River watershed, excluding Harris County. The SJRA is one of two dozen river authorities in the State of Texas, and like other river authorities, its primary purpose is to implement long-term, regional projects related to water supply and wastewater treatment.

If you would like to know more about SJRA, what we do, and how we work for the community, check out our website [www.sjra.net](http://www.sjra.net) and follow us on social media [@SanJacintoRiverAuthority](#), [@SJRA\\_1937](#), [@sanjacintoriverauthoritysjra](#), [@San Jacinto River Authority](#).
