

San Jacinto River Authority Latest News for January 2025

Preserving and Protecting the Best Water in Texas

Nabeel is a Project Manager 1 at the San Jacinto River Authority's (SJRA) Woodlands Division. In this role, he manages and completes a variety of engineering tasks to support SJRA's mission, operating divisions, and customers. Under general direction, he plans, organizes, oversees, and coordinates projects related to raw water, potable water, and wastewater infrastructure, including multi-disciplinary, multi-phase studies, capital improvement projects, and major maintenance projects from conceptual initiation through construction closeout.

Winter Weather Aware

Now that we are in the peak of winter, make sure to stay weather aware by following local trusted weather sources. People, pets, plants and pipes are all vulnerable to freezing temperatures, so please make sure to tend to each accordingly.

Thank you to all of our SJRA employees who worked on the front lines during winter storm Enzo. We appreciate all that you do to work for the community's water, no matter the conditions.

H-Town Showdown

In December, SJRA's Utility Enterprise entered into the H-Town Showdown, a pre-competition to Texas Water's Operations Challenge event. Texas Water is the largest conference in Texas focused on the water industry. Our team will be at Texas Water this March to participate in that event. SJRA competed against other area utilities and came in 2nd place. Awesome job to our hardworking team! Looking forward to competing again at Texas Water!

SJRA works around the clock in drought or freeze, rain or sunshine to make sure all water and wastewater services remain in service. We work to preserve and protect the best water in Texas.

RECYCLE YOUR TREE FOR FISH HABITAT

Why put your Christmas tree on the curb when it can improve fish habitat in Lake Conroe? SJRA and Texas Parks and Wildlife are collecting Christmas trees all January long! To learn more about location addresses and drop-off dates/times for your UNDECORATED real Christmas Tree, please visit sjra.net/tree.

2025 Annual SJRA Christmas Tree Drive

It's that time of year! The San Jacinto River Authority is preparing for its Annual Christmas Tree Drive. During January, SJRA collects live Christmas trees at various locations in a partnership between SJRA and Texas Parks and Wildlife to create fish habitat in Lake Conroe while also helping the ecosystem of the lake. This year all Montgomery County Commissioner Precincts have joined the partnership and will provide additional drop-off locations.

Be on the lookout for our *2025 Annual SJRA Christmas Tree Drive* article in [Dock Line Magazine](#).

Tell Us How We're Doing!

SJRA values your opinions and thoughts.

We would love to hear from you on how we are doing. Please submit questions, concerns, or other feedback here.

[Contact Us](#)

The San Jacinto River Authority (SJRA) receives no money from the state, nor does it collect any type of taxes.

SJRA's mission is to develop, conserve, and protect the water resources of the San Jacinto River basin. Covering all or part of seven counties, the organization's jurisdiction includes the entire San Jacinto River watershed, excluding Harris County. The SJRA is one of two dozen river authorities in the State of Texas, and like other river authorities, its primary purpose is to implement long-term, regional projects related to water supply and wastewater treatment.

If you would like to know more about SJRA, what we do, and how we work for the community, check out our website www.sjra.net and follow us on social media [@SanJacintoRiverAuthority](#), [@SJRA_1937](#), [@sanjacintoriverauthoritysjra](#), [@San Jacinto River Authority](#).
