

San Jacinto River Authority
Latest News for March 2026

Latest from *Navigating the Current*

Understanding water rights and management helps clarify this complex topic. Visit our social media channels, [the SJRA Blog](#), and tune in to the latest episode of [Navigating the Current](#) to learn more and get the answers.

Many people don't realize that Lake Conroe was created through a joint venture between the San Jacinto River Authority and the City of Houston (COH). The lake's primary purpose has always been to serve as a water supply.

Be on the lookout for our *Who Owns the Water in Lake Conroe* article in [Dock Line Magazine](#) and our [SJRA Blog](#).

Reappointments to SJRA Board of Directors

Governor Abbott Reappoints Three To San Jacinto River Authority Board Of Directors

February 26, 2024 4:45pm Local Appointment

Governor Greg Abbott reappointed **W. F. Foster**, **Stephanie Johnson**, and **Rick Mora, M.D.** to the San Jacinto River Authority Board of Directors for terms set to expire on October 15, 2029. The San Jacinto River Authority is a government agency whose mission is to develop, conserve, and protect the water resources of the San Jacinto River basin.

W. F. Foster of Montgomery is the senior business development and corporate advisor at Novotek USA Inc. He is a veteran and senior executive in the oilfield services industry with more than forty years of service. He has both domestic and international experience and is a Fellow member of the Society of Petroleum Engineers and a former board member of the Petroleum Equipment Suppliers Association. Additionally, he is a member of the Lake Conroe Association. Foster received a Bachelor of Science in Mechanical Engineering from Southern Methodist University.

Stephanie Johnson of Montgomery is retired. She spent her career in industrial engineering and operations with LIPS. Previously, Johnson served as an associate speech director at Richard, Wayne & Roberts. She currently serves as president of the Ladies Association of Women, Treasurer of Women Section of Homeowners Association, and secretary of the Woodlands Community Improvement Association. She is also an art director with the Woodlands Folio and volunteers with Love Meals Youth and the Walden Social Network. Johnson received a Bachelor of Science in Psychology from Lamar University.

Rick Mora, M.D. of Spring is an anesthesiologist and a transitional medical director for Envision Health. He is the former chief of anesthesiology at Memorial Hermann Hospital of the Woodlands. He is a member of the Texas Society of Anesthesiologists and the American Society of Anesthesiologists. Previously, he served as chief of the Montgomery County Hispanic Chamber of Commerce and is a founding Board Member of the non-profit, I on Doctors for The Woodlands. Mora received a Bachelor of Arts in Spanish Literature and pre-medicine from the University of California at Berkeley and a Doctor of Medicine from the University of Illinois College of Medicine. He is a military veteran who received an honorable discharge after serving eight years in both the Army National Guard and the Texas National Guard.

Governor Greg Abbott has announced SJRA board reappointments. We are grateful for the continued service and expertise of these leaders as we advance our mission and serve the San Jacinto River Basin. Read the official [announcement](#).

In the News: New Options for The Woodlands Water Infrastructure

Studies show new options for water infrastructure plans in The Woodlands

By Vanessa Holt | 12:00 AM Mar 20, 2026 CDT

Among other projects at The Woodlands Water Agency, the township's 35 miles of drainage ditches are undergoing \$3 million in improvements that will take 12-18 months to complete. (Vanessa Holt/Community Impact)

Community Impact recently highlighted the latest updates on water infrastructure planning in The Woodlands. New studies are reshaping project priorities and costs, while keeping long-term system reliability front and center. Read the full article [here](#).

SJRA Rates and Fees to Wholesale Providers:

SJRA does not have taxing authority, nor does it receive funds from the Texas Legislature. SJRA is funded solely through contracts with its wholesale customers to provide water supply and wastewater treatment. View information on rates and fees to our wholesale customers (**SJRA does not provide retail service to individual homes and business**) on our website. Click [HERE](#).

SJRA's mission is to develop, conserve, and protect the water resources of the San Jacinto River basin. Covering all or part of seven counties, the organization's jurisdiction includes the entire San Jacinto River watershed, excluding Harris County. The SJRA is one of two dozen river authorities in the State of Texas, and like other river authorities, its primary purpose is to implement long-term, regional projects related to water supply and wastewater treatment.
